Counsel Ring Regulations and Fire Prevention

The following regulations and procedures apply to the Counsel Ring use:

- Applications for use of Park District Counsel Ring must be submitted to the Clarendon Hills Park District by an adult resident of the district who assumes responsibility for the group shall sign the permit.
- The applicant named on the rental agreement is responsible for enforcing safe practices and following regulations.
- The applicant named on the rental agreement must have the Agreement in their possession during the rental.
- The campfire shall be contained within the rock-lined ring of the Counsel Ring at Prospect Park.
- A 2-foot zone shall be maintained between the fire ring rocks and the actual fire.
- All seating shall be at least 8-feet away from the fire ring. Adjustments may be needed for wind speed and direction.
- All activities that require closer approach to open fire, (i.e. toasting or cooking food items), shall be closely monitored by at least 2 responsible adults.
- Open flame shall be reduced to hot coals before participants make closer approach.
- A 10-lb type ABC fire extinguisher and a pointed nose shovel and/or rake shall be immediately available for use within Counsel Ring.
- Fire and coals are to be put out after event by first separating larger logs from the main fire, and then the entire fire site is to be drenched with water and stirred with shovel. This procedure shall be repeated until no glowing embers are present and open fires are extinguished. Water shall be poured on the fire site until all smoldering and steaming ground is eliminated. Water may be taken from the Prospect Park Ponds.
- The campfire must be extinguished by 10:00pm. The park closes at 11:00pm. A 30-minute “fire watch” shall be maintained by a responsible person to watch to assure that no flare-ups occur.
- The applicant of the Counsel Ring permit is responsible for removing larger pieces of debris from site.

Remember key fire safety points

“Stop, Drop and Roll” to extinguish fire should clothing catch on fire

For fire extinguish use, use the PASS acronym

P = Pull pin

A = Aim at base of fire

S = Squeeze the handle

S = Sweeping motion
